- We highly suggest that you contact local Animal Control & Non-Emergency Police Department to report your missing pet as well. (*Local Livingston ACO (406) 223-2197 Livingston / Park County Non-Emergency Police-(406) 222-2050*)
- Please follow our Facebook page as we post all incoming stray animals and sometimes photo identification is more accurate and faster than waiting for staff to check lost logs.
- Due to overwhelming requests, we do not post lost pets on our SAS social media pages, but there are pages available that do. Locally we suggest “Bozeman Lost Pets”, “This is Really Livingston”, Craigslist, classifieds/yard sales site etc.
- Please reference www.missingpetpartnership.info for more tips to help find your pet!
